EXPERIENCE

The Emerald Hack, Emerald High School — *President*

January 2024 - PRESENT

President of The Emerald Hack club in Emerald High School. A club that participates in hackathons to get members ready for future experiences.

Irongate Command Center - Zero Robotics, Dublin — *Team Lead*

July 2023 - August 2023

Got 4th place out of 50 teams in the US. Zero Robotics is a competition in which you code satellites on the ISS. I partnered with other teams in other states. One of which was Arizona.

Emerald High School, Dublin — *Assistant Coach*

July 2024 - August 2024

Working at a summer tennis camp to help raise money for the school tennis teams. It is a junior tennis camp for elementary schoolers.

EDUCATION

Emerald High School, Dublin — *Current student*

August 2023 - Present

Class of 2027

PROJECTS

Presentation Control — *Control your presentation with your hands*

An application in which you can use your hands to move across a presentation. Python and a few python libraries were used to develop this application.

SKILLS

Great at communication
